

Amy Beiting

Education: AMI Primary diploma (ages 3-6)

BA Psychology

BA Sociology

Teaching Experience: 29 + years; all at KHMC

Family: Married, 29 + years, 3 grown daughters

About KHMC:

I love it! I'm so blessed to have invested my time working here all these years. What a welcoming atmosphere where community is rooted in cultural and economic diversity sustained by parent involvement. Additionally, guided by well educated professionals and assistants who, with parents, share common values enlightened by a philosophy dedicated on nurturing the development of the whole child.
