

Linda Roemhild

I am a graduate of Kendall College in Evanston, Illinois and I hold a 04 certificate (birth to third grade) in Early Childhood Education. I received my pre-primary certificate in Montessori education in 1989 and taught at the Deerfield Montessori Schools in Illinois for many years. After moving to Cincinnati area in 2001, I decided to dedicate myself to my family full time. In 2007, I proudly joined the KHMC family and was immediately impressed with the deep dedication of the families and the staff. It was contagious and I simply could not wait to be a part of such a loving community.

In my spare time you can find me on a soccer field cheering on my oldest daughter, Emily or sharing family time with my husband, John and our youngest daughter, Mia. I look forward to meeting all of you.
